Re: Model Mosque Competition

On Sunday 25 November 2007, Green Lane Masjid took part in the final of the UK-wide Model Mosque Competition, hosted by Islam Channel.

Notwithstanding the fact that we were eventual runners-up, we are deeply honoured to have been voted the second best Mosque in the UK.

We believe this result is the fruit of many years hard work. Green Lane Masjid plays an active role in providing a diverse range of services for the community, with a view to making a positive contribution to society.

We would like to acknowledge the wide support we have received from the Muslim and non-Muslim community throughout the UK.
